### WELLNESS POLICY PROGRAM STATEMENT

It is the policy of Clayton Borough to promote the health and safety of our municipal employees. Clayton Borough's success in achieving a high degree of freedom from accidents and injuries has been due to our commitment to safety. Numerous studies have demonstrated that there is a strong link between workplace wellness and lower Workers Compensation Costs. Therefore, in an effort to address these ever rising costs, we, the Governing Body of the Clayton Borough, hereby support the implementation of a Workplace Wellness Program in our municipality that will utilize a proactive approach to promote employee health and wellness. In furtherance of this objective, the Gloucester, Salem, Cumberland Counties Municipal Joint Insurance Fund, which the Clayton Borough is a member, has appointed a Wellness Director to work with the Clayton Borough Wellness Committee to provide guidance and support for our programs with the goal of creating a healthier and more productive workplace. Every employee stands to benefit from this program. We encourage full cooperation from all employees of Clayton Borough.

The results of our comprehensive Wellness Program will certainly be worth the effort.
